FRENCH COURSES IN NICE - FRENCH RIVIERA

alpha-b.fr

Why choose alpha.b ?

Alpha.b is a family-run school founded in 1993.

The school is situated in the heart of Nice, 2 minutes from the main shopping street and 10 minutes from the beach.

alpha.b has chosen two lovely mansions from the beginning of the «Belle Époque» century, entirely renovated, a lounge private garden and with free WI-FI in both buildings.

Alpha.b is the only French language school in Nice approved by three of the most important national and international organizations for quality French language courses: Label Qualité FLE, IALC and Eaquals.

All services alpha.b offers are inspected regularly: our French language courses and teachers, support of our students, hosting and premises. Label Qualité FLE, IALC and Eaquals ensure high quality French language courses in a serious and well organised structure.

Our guarantee of quality

The FLE quality label recognises French language schools that offer high quality courses and services. Language schools recognized by Label Qualité FLE are inspected every four years. The inspection is based on five criteria: French teachers, teaching and training courses, welcome and support, premises/safety/equipment and management.

alpha.b received 3*** out of 3 for each criteria in 2019.

Eaquals, founded in 1991, is the leading professional association for language education around the world. To become an accredited member, language schools have to pass strict and regular inspection.

alpha.b passed its last inspection in June 2016, with excellent results.

IALC is an international association, founded in 1983. It is a global network of accredited language schools offering high-quality language programs.

Only individual and independent language schools can be a member of IALC.

IALC guarantees a high level of professionalism and services. During the IALC regular inspections, alpha.b is assessed on all areas of our services.
